Focusing on Fitness and Wellness...

The BORO Program curriculum includes wellness education and various fitness activities. Yoga, stretching sessions and walking club are some of the students' favorite options. They enjoy learning about the importance of staying fit and having the chance to get their blood flowing... and the choices involved in facilitating these activities are empowering!

Let's stretch!

Recent Projects

As part of Westborough's "Share the Love" initiative, the BORO students assembled special gifts for the Westborough Boosters!

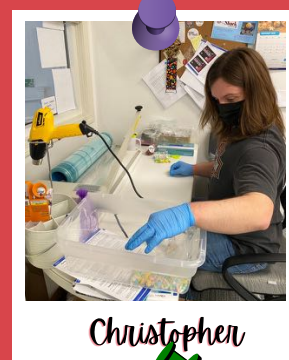

The students also fulfilled a large order of truffle boxes for a department at Hanover Insurance that sought to support the BORO Program *and* send their staff something sweet for National Employee Appreciation Day on Friday, March 5th.

This project involved placing assorted truffles into the boxes, sealing the boxes, tying bows and attaching cards, and packing the gifts for shipping.

It was a job well done by all!
